The diagram illustrates the dependencies of the SR04.h header file. At the top, a grey box contains the file path K:/Projekte/robotic/arduino/arduino\_1-0Patch/libraries/SR04/SR04.cpp. A blue arrow points from this box to a central white box labeled SR04.h. From the SR04.h box, two blue arrows point downwards to two separate white boxes: WPprogram.h on the left and inttypes.h on the right. This indicates that SR04.h includes or depends on both WPprogram.h and inttypes.h.
